

Undergraduate Thesis B Assessment

School of Electrical Engineering and Telecommunications

Thesis B Ending Session : S1/2009

Student Number: _____ Course Code(*please circle*): elec4121 / tele4121 / phtn4121 / biom4121

Family Name: _____ Given Names: _____

Thesis Topic: _____

Supervisor's Name: _____ Assessor's name: _____

For office use only

Dear Marker,

When you have completed the assessment of the Thesis, please **return this completed Assessment Sheet to: Dr T. Phung, 4th year's thesis coordinator before 29th June, 2009.**

Delaying in returning your assessment may in turn delay the student's date of graduation.

Supervisors: Keep your copy of the Thesis, if you wish.

Assessors: Return your copy of the Thesis to the EE&T School Office.

Please feel free to seek additional opinions of the Thesis, if you wish.

You may be aware of penalties or special consideration, which apply to this student. These will be dealt with separately later. At this stage, you should simply assess the Thesis as it stands.

Thesis Assessment Breakdown

Evaluation	"Mark Scale" Method		"Grade" Method
	Maximum	Mark Awarded	Grade
Written Presentation	20		
Review of other work	10		
Quality of the Analytical Work	25		
Quality of the Laboratory Work	25		
Results, Interpretation and Conclusions	20		
Overall	100		
Guidelines only: your division, if different, should be shown and must add to 100. If no numerical mark is given, the central mark is assigned. HD (85-92-100); DN (75-80-84); CR (65-70-74); PS (50-58-64); FL (0-20-49)
