School of Electrical Engineering and Telecommunications
University of New South Wales

Project Report Enrolment Form – Postgraduate by Coursework

(This form is only used for those postgraduate by coursework students who are planning to do the project reports (ELEC9771 project report A & ELEC9772 project report B)

Student Number: _________________

Student Surname: _____________________ Given Names: _____________________

Please tick the program you have registered to study:
   8539  Master of Engineering Science Extension (2 years)
   8538  Master of Engineering Science (1.5 years)
   5338  Graduate Diploma of Engineering Science (1.5 years)

Please tick the plan or specialisation you have decided to specialise in:
   Energy Systems
   Microelectronics & Microsystems
   Signal Processing
   Systems and Control
   Telecommunications

********************************************************************************

Project Title / Area: Please find a project supervisor to talk about it and write it down.

__________________________________________________________

Name of Supervisor: _____________________

Supervisor’s Signature: _____________________ Date: ________________

Student’s Signature: _____________________ Date: ________________

Program Authority: Professor C. Kwok _____________________ Date: ________________

********************************************************************************

When completed all the above fields, please return this form to the School Office (Room G1, Electrical Engineering Building) to enrol you on the system for the courses elec9771 and elec9772.

Enrolled elec9771 by (staff name in the school office): _____________________ Date: __________

Enrolled elec9772 by (staff name in the school office): _____________________ Date: __________
